October 1918: En route from New York to Seattle, Jessica Layton stops for a visit in her hometown of Powell Springs, Oregon, and comes face-to-face with Cole Braddock, her first and only love from years ago. Now Jessica is a highly accomplished clinical physician preparing for an exciting new job in Washington, and Cole is a successful horse breeder who is courting her sister Amy. Both are convinced they have moved beyond their youthful passion and the heartbreak it produced; nonetheless, they are grateful that Jessica's brief visit will leave little opportunity to rehash old wounds. But before Dr. Layton can leave town, Powell Springs is hit hard by the influenza epidemic ravaging the country. With no other doctors available, Jessica must remain in Oregon and tend to her friends and former neighbors. Her work brings her in constant contact with Cole, and with each passing day he finds it harder to convince himself that mild-tempered Amy can fill his heart as Jessica once did. Set against the gritty backdrop of World War I and the epidemic of 1918, *Home by Morning* is a raw, compelling story of betrayal, heartbreak, and redemption.
