Paul the Apostle of Jesus Christ: His Life and Works, His Epistles and Teachings Ferdinand Christian Baur

In 1845, F. C. Baur published *Paul the Apostle of Jesus Christ*, in which he presented his theory of two rival missions in the first-century church. So began a debate concerning the nature of Paul's relationship to the Jerusalem apostles that continues today. With this reprint of the English translation, Baur's two-volume classic is once again available, now bound together in one book.
