Matchbox Girls (Senyaza Series Book 1) Chrysoula Tzavelas

For a thousand years, the half-breed nephilim have kept the angels and Fallen from meddling in the world. And the angels would do anything to change that. Destroy cities. Turn oceans to blood. Raise the dead. Sacrificing two powerful little girls should be easy.

Except... the two little girls are protected by one mortal woman.

Haunted by visions of catastrophe and crippling anxiety attacks, Marley Claviger has never heard of any celestial cold war. But when the twin daughters of a friend come to her for help, she will do whatever it takes to save them. Even if it means working with Fallen, discovering the nephilim, and facing the source of her power.
