Matthew 19-28: Volume 3 (International Critical Commentary) W. D. Davies, Dale C. Allison

For over one hundred years, the International Critical Commentary series has held a special place among works on the Bible. It has sought to bring together all the relevant aids to exegesis ? linguistic and textual no less than archaeological, historical, literary and theological?with a level of comprehension and quality of scholarship unmatched by any other series.

No attempt has been made to secure a uniform theological or critical approach to the biblical text: contributors have been invited for their scholarly distinction, not for their adherence to any one school of thought. The first paperback editions to be published cover the heart of the New Testament, providing a wealth of information and research in accessible and attractive format.
