Pulling Back the Shades: Erotica, Intimacy, and the Longings of a Woman's Heart Dr. Juli Slattery, Dannah K. Gresh

Christian women don't have to choose between being sexual and spiritual. They have legitimate longings that the church has been afraid to talk about, and books like *Fifty Shades of Grey* exploit and distort them. We need the truth on the matter.

Whether you are single or married, sexually dead or just looking to revive your sex life, *Pulling Back the Shades* will address your desire to be both sexual *and* spiritual. With solid biblical teaching and transparent stories, trusted authors Dannah Gresh and Dr. Juli Slattery offer an unflinching look at the most personal questions women ask. The book offers practical advice for women to address five core longings:

- to be cherished by a man
- to be protected by a strong man
- to rescue a man
- to be sexually alive
- to escape reality

God designed women with these longings and has a plan to satisfy them. It's time for women to identify their intimate longings and God-honoring ways to fulfill them.
