With his dad hell-bent on destroying him, Dare's life hangs in the balance. Fearing the worst, Reagan rushes from Paris to New York, hoping to get to him in time, only to find their entire world collapsing around them.

The threat is too real, risk too high, death too possible. Unfair doesn't even begin to cover it.

Two wild hearts that belong together, trapped in a world trying to break them apart. But a love this strong has to survive...doesn't it?

This unique, angsty, art-infused novel series is like a sexy CW show. Perfect for fans of H.M. Ward, Jamie McGuire, and Jennifer L. Armentrout.

*This is episode 4 of a 5-episode new adult series. Each book in the series is like an episode of your favorite television drama, telling a full piece of a much larger story, ending on a cliffhanger and leading right into the next book. Due to mature subject matter (sexual situations and strong language) this book may not be suitable for all readers.
