## **How To Think Like Steve Jobs** Mimi K. Phillips

Did you ever wonder how Steve Jobs went from just an average everyday person to become an American icon respected for his creative ideas? Did you wonder how he managed to live a fulfilled life and realize his highest potential despite the everyday problems of life that we all endure? Did you see how every time this drama of life plagued him with roadblocks, he would rise to the occasion to shape his own destiny? In essence, Steve Jobs lived the quintessential human experience—his life embodied success, happiness, but also obstacles. How to Think like Steve Jobs addresses seven of these vital lessons that gave meaning to his life and these lessons can be used by to enrich your own life. Steve Jobs used these principles to realize his fullest potential and so can the reader of this book. Mimi Phillips has taken these important principles from Steve Jobs life experiences (personal and business) and distilled them into seven powerful life lessons.

This book is filled with the real-life stories of Steve Jobs and tips on how this information can be applied by the reader to live a more purposeful, focused life. How to Think like Steve Jobs reveals key areas for a successful and balanced life, which include: Trusting your intuition and letting it be your guide, following your passion to achieve greatness and an enriching career, believing in yourself in the face of a job loss and other life's problems, thinking differently to reinvent your life, career, or business, imagining and innovating the impossible, learning to focus on strength to achieve a goal, learning to embrace the present moment, and much, much more! Whether you're learning the ropes or pulling the strings, How to Think like Steve Jobs will enrich every aspect of your life.
