Living By Grace: The Path to Inner Discovery Joel S. Goldsmith

Joel Goldsmith taught that we all have a mission in life and that the purpose to living a spiritual life is to prepare us to do healing work in the world. That mission, Goldsmith believed, is the same for all of us – to heal the world from disease, sin, corruption, poverty, exploitation of natural resources, pollution, crime, and war. We are guided on this life path only by personal revelation – what Goldsmith called “The Infinite Way.” The form can be whatever tradition best suits us, be it Hindu, Buddhist, Jewish, Christian, or Muslim.

“Those of you who have witnessed or experienced spiritual healing realize that it was brought about by the realization of the Spirit; by the realization of an individual whom we may call practitioner, teacher, leader, or minister,” writes Goldsmith. “The healing, the performing, the saving processes do not take place until that Spirit is brought to light in and through the consciousness of an individual.”

Living by Grace is a masterful collection of Goldsmith’s deepest teachings on how to live The Infinite Way and be a healing influence. It includes an overview of the path to spiritual consciousness from the beginning to the final stages. Never before published in one volume, these essays consistently display the wisdom of Goldsmith’s insights into the hidden power within us. As he reminds us, “That which I am seeking, I am.”
