When a Catholic Priest hangs himself from the rafters of St Peters Basilica during the inauguration of the first English pope in over a millennia, his friend and ex-priest Alex Harker is dragged into a secret war that has been playing out on the fringes of society since the birth of Christ. The suicide sets into motion a planned timetable of terrifying events that will irrevocably change the world as we know it – The countdown has begun - With the clock ticking and pursued by a murderous assassin, backed by a brutal organization hell bent on concealing the truth at any cost, Harker must track down and decipher the pieces of the puzzle laid down for him by his dead friend to reveal a truth - so shocking, so startling - that it could enslave the minds of every human being on the planet and literally transform the destiny of mankind itself.
