Women Characters in Baseball Literature: A Critical Study

Dean Kathleen Sullivan

Women Characters in Baseball Literature: A Critical Study Dean Kathleen Sullivan

This is the first comprehensive evaluation of the women characters of baseball literature, including women's crucial roles on and off the field of play. Applying several feminist theories and examining the works in the context of both myth and psychology, the author discusses baseball fiction written by both men and women. Among the topics discussed are the literary implications of motherhood; how patterns of behavior in women characters often recall Greek goddesses; and how women characters and the feminist imagination enrich the literature of this apparently masculinized sport.
