**Professional Soccer Finishing Drills: Top Finishing Drills From The World's Best Soccer Clubs** Marcus DiBernardo

Scoring in the game of soccer is perhaps the hardest thing to do. However, many coaches often do not spend enough time developing their player's ability to score. Finishing drills should be done on a daily basis. The book provides a compilation of the best finishing drills that I have collected in my 20+ years of coaching. These drills focus on decision making in the attacking third in order to maximize scoring chances. The drills also provide many meaningful touches allowing players to improve their finishing ability. If you make the commitment to use the drills in this book with your team I guarantee your team will score more goals.
