Understanding 'Race' and Ethnicity: Theory, History, Policy, Practice (Understanding Welfare: Social Issues, Policy and Practice)

Understanding 'Race' and Ethnicity: Theory, History, Policy, Practice (Understanding Welfare: Social Issues, Policy and Practice)

Most societies in the developed world are now multicultural, but their welfare systems have largely failed to address the issues and tensions associated with the growth of minority ethnic populations. Taking the United Kingdom as an exemplary case study, *Understanding "Race" and Ethnicity* combines historical and theoretical approaches to the study of the intersection of race and welfare and examines how minorities experience welfare in a range of settings. Informative and inspiring, this book will be essential for anyone striving to build a society that is equal, inclusive, and just for all.
