Wanton West: Madams, Money, Murder, and the Wild Women of Montana's Frontier Lael Morgan

From the time of the gold rush to the election of the first woman to the U.S. Congress, *Wanton West* brings to life the women of the West's wildest region: Montana, famous for its lawlessness, boomtowns, and America's largest red-light districts. Prostitutes and entrepreneurs--like Chicago Joe, Madame Mustache, and Highkicker--flocked to Montana to make their own money, gamble, drink, and raise hell just like men. Moralists wrote them off as "soiled doves," yet a surprising number prospered, flaunting their freedom and banking ten times more than their "respectable" sisters.

A lively read providing new insights into women's struggle for equality, *Wanton West* is a refreshingly objective exploration of a freewheeling society and a re-creation of an unforgettable era in history.
