Spirits Out of Time: True Family Ghost Stories and Weird Paranormal Experiences Annie Wilder

I have always been fascinated by secrets...

So begins Annie Wilder's collection of true family ghost stories, gathered from old letters and family genealogy books or told around the dinner table. From her Irish great-grandpa outsmarting the death coach to her German great-great-grandma seeing a falling star each time one of her children died, these personal vignettes illuminate the mysteries of the spirit world.

Spooky at times but also poignant and humorous, these stories are brought to life with vintage photographs. They include true tales of a haunted hotel, a magical bookstore, and a faceless ghost girl who haunted Annie's mother for decades. You'll explore a wide variety of odd or mystical topics, from spirit guides to astral travel, totem animals, and premonitions. Along with fascinating insights from prominent psychics, this book includes simple protection rituals and a ceremony to honor your own family in spirit.
