Teaching Spelling: Exploring commonsense strategies and best practices Peter Westwood

Teaching Spelling: Exploring commonsense strategies and best practices equips teachers with the vital knowledge and skills needed to help their students become proficient writers and spellers.

Peter Westwood provides a very clear and concise account of the important skills and processes that underpin accurate spelling, and describes in very practical terms, many evidence-based strategies and methods that teachers can use to help all students become confident, capable and independent spellers. The book also addresses the purposes of various forms of assessment of spelling skills, to guide teaching and planning.

Chapters in this accessible and timely text include:

- the importance of correct spelling
- visual, auditory and cognitive components of spelling ability
- general principles for planning instruction
- proven teaching strategies and methods
- word study as a teaching approach
- formal and informal assessment

At the end of each chapter the author provides a list of online and print resources, thus enabling readers to extend their knowledge in the various topics. The extensive reference list is also an invaluable source of information on recent research and thinking on the topic of spelling instruction.

Teaching Spelling: Exploring commonsense strategies and best practices is an essential resource for all those in teacher education and taking in-service courses.

Winnie Logan:

Reading a book being new life style in this yr; every people loves to examine a book. When you learn a book you can get a lot of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information in it. The information that you will get depend on what forms of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, these kinds of us novel, comics, and soon. The Teaching Spelling: Exploring commonsense strategies and best practices offer you a new experience in reading through a book.

Bessie Papp:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Teaching Spelling: Exploring commonsense strategies and best practices can make you experience more interested to read.
