The Star Snatcher's Planet (The Little Prince) Thomas Barichella

The Chlorophyllians, a farming people, are having serious problems with their crops--all the plants are dying. The Little Prince can see that the problem is the fading starlight, which has a direct influence on all plant life on the planet. Someone called the Astronomer is uprooting stars and planets from the sky, to create a perfect replica of the night on the roof of his tree-house hideout. And his next target is The Little Prince's own home . . .
