Winston Churchill has gone down in world history as one of Great Britain's greatest and most divisive leaders. Coming to power in a time of crisis, he answered the call of his nation and led his people through one of the most grueling bombardments that island has ever faced—the Battle of Britain.

Unwilling to surrender, he is remembered for giving the people hope and courage to continue facing down the enemy, and students of history will long study his famous words that lifted the spirits of every Briton.

This is the story of Winston Churchill—a legend, a hero, but most of all a man. He faced many of the same weaknesses common to strong leaders, and he held some extreme views on many topics. It is our hope that you will get to see a deeper look at Churchill than a quotation with a picture behind it.

It is our hope that you will see the man who struggled, who painted, and who ultimately overcome his own personal demons to go down in history as an inspiration to future generations. This is his story.
