Cultural Nationalism in Colonial Korea, 1920-1925 (Korean Studies of the Henry M. Jackson School of International Studies) Michael Robinson

By studying the early splits within Korean nationalism, Michael Robinson shows that the issues faced by Korean nationalists during the Japanese colonial period were complex and enduring. In doing so, Robinson, in this classic text, provides a new context with which to analyze the difficult issues of political identity and national unity that remain central to contemporary Korean politics.
