An unbelievable journey through Hell and back!

Nathan Cruz enjoyed the perfect life until the morning of September 11th 2001. Barely surviving the twin towers collapse he loses everyone he loves in the disaster. Devastated, he flees from human contact to live in isolation aboard a houseboat moored in the Florida Keys. Years pass, but his crushing grief does not diminish with time.

Nearly drowned by a category 4 hurricane, he unwittingly seeks shelter in the home of Miriam Kanter, a young woman with pancreatic cancer who has come to the islands to die. Miriam's unwavering enthusiasm changes everything Nathan ever thought about the meaning of life and what possibly lies beyond. She provides Nathan with the answers he needs to mend the fractures of his shattered world and heal wounds cut deep into his soul. With the clock ticking toward the end of Miriam's life, nothing could have prepared him for the revelations he would face as she slowly slips away.
