"For unto us a child is born, unto us a son is given...and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace" - (Isaiah 9:6).

"...God was in Christ, reconciling the world unto Himself..." (II Corinthians 5:19).

It was foretold in the writings of the Old Testament that God would one day manifest Himself as a man. This simple and beautiful promise was finally fulfilled in a man named Jesus very early in the first century A.D. Sadly, however, it was *also* foretold by the New Testament apostles that the true and full identity of Jesus Christ would be very soon attacked, altered and even denied by many (including some self-proclaimed Christians). Using Scripture as its primary source of data and a pleasing array of insightful anecdotes, this book skillfully answers such questions as, "If Jesus is God, then why is He sometimes called the Son of God?", "If the Bible calls Jesus the *begotten* Son, then why do so many call Him the *eternal* Son?", "If the Bible says that the Godhead is in Jesus, then why do so many claim that Jesus is in the Godhead?", "Why is so much of modern Christianity built upon 3rd century philosophers instead of upon Jesus and the Apostles?" This book beautifully and simply explains many questions regarding the nature and person of Jesus Christ. It shatters many of the modern, pre-fabricated and man-made ideas concerning Christ that have gradually infiltrated modern Christianity. It presents the first, pure and original doctrine of the Lord Jesus Christ that birthed the original New Testament church and revitalizes that untainted truth that abundantly prevailed and flourished throughout the first century of original Christianity. This book is an indispensable asset for those who are passionate lovers of truth and for those who desire the purest revelation of the full and true identity of Jesus Christ.
