Keys to the Corner Office: Success Strategies for Women by Women is a must read for any woman aspiring to advance her career. Successful careers don't just happen. They require thought, strategy, skill development, management, and the help of others. Keys to the Corner Office provides that strategy, along with a road map for women to follow to drive their own careers. The book is structured in five sections: Turbocharge Your Career, Unleash the Leader Within, Ignite Your Management, Transform Your Life, and Parting Thoughts. Each chapter is packed with wisdom and easy-to-follow, practical Key Action Tips. The focus of Keys to the Corner Office is to educate, encourage, and train the reader to level the playing field for herself as well as enhance career opportunities for all women. It provides keys to your own corner office—or at least the keys to your success. The author, Rhonda Rhyne, is currently President & CEO of her third medical technology company. She is practical and strategic in describing how and why to Brand Yourself, introducing the concept of Respect-Centric Leadership, and illustrating how to Say “No” with “Yes.” Her advice helps women overcome the challenge of being too hard (and perceived of as a “_itch”) and too soft (and perceived as “weak”) in the workplace. Rhyne’s lessons grew out of the challenges she faced, and the processes she followed to the corner office.
