Reece Corbett watches over the dancers in her gentleman's club with the blue, razor sharp eyes of The Animal. Few know that resting comfortably in her office is her newest love, a tiny MinPin named Smudge. What happened to The Animal, known for her rapacious appetite for women and danger?

Faith Ashford is what happened to The Animal. Faith and Reece have been together a while now and they have settled into something resembling domestic bliss. This bliss alarms Reece. It's one thing for Faith to see her softer side, that's vulnerability enough, but to let her friends see it...no. Not the best plan. Under Faith's guiding, loving hand, will Reece successfully traverse the rocky road of emotion and embrace the positive changes in her life? Or will she panic and be unable to control that Animal part of herself? Will she take that next step to declare herself fully capable of love and devotion?

This third installment in the popular series that began with Private Dancer continues the passionate and often hilarious romance of Reece and Faith as they both grow in love and in trust.
