## **Susanna Moodie's Collected Works: Roughing it in the Bush, Life in the Backwood and More! (11 Works)** Susanna Moodie

Susanna Moodie was an English-born Canadian author who wrote about her experiences as a settler in Canada, which was a British colony at the time.

Her greatest success was *Roughing it in the Bush*. The inspiration for the memoir came from a suggestion by her editor that she write an "emigrant's guide" for British people looking to move to Canada. Moodie wrote of the trials and tribulations she found as a "New Canadian", rather than the advantages to be had in the colony. She claimed that her intention was not to discourage immigrants but to prepare people like herself, raised in relative wealth and with no prior experience as farmers, for what life in Canada would be like.
