**The Sandman Omnibus Vol. 1** Neil Gaiman

*A New York Times Bestseller!*

The Sandman is the universally lauded masterwork following Morpheus, Lord of the Dreaming--a vast hallucinatory landscape housing all the dreams of any and everyone who's ever existed. Regardless of cultures or historical eras, all dreamers visit Morpheus' realm--be they gods, demons, muses, mythical creatures, or simply humans who teach Morpheus some surprising lessons.

Upon his escape from an embarrassing captivity at the hands of a mere mortal, Morpheus finds himself at a crossroads, forced to deal with the enormous changes within both himself and his realm. His journey to find his place in a world that's drastically changed takes him through mythical worlds to retrieve his old heirlooms, the back roads of America for a twisted reunion, and even Hell itself--to receive the dubious honor of picking the next Devil. But he'll learn his greatest lessons at the hands of his own family, the Endless, who--like him--are walking embodiments of the most influential aspects of existence.

This massive hardcover tome, over 1000 pages, collects the first 37 issues of Neil Gaiman's groundbreaking series!
