This dictionary covers the complex and costly conflict that began when Germany, ruled by Adolf Hitler and the Nazi Party, invaded neighboring Poland on 1 September 1939; and concluded when Germany surrendered on 7–9 May 1945, leaving much of the European continent in ruins and its population devastated. The war against Germany, Italy, and the other European Axis members was fought primarily in Europe, the Mediterranean, the Middle East, East and North Africa, and the Atlantic Ocean. The Axis powers were defeated by the Allies, led by the “Grand Alliance” of Great Britain, the United States, and the Union of Soviet Socialist Republics.

The *Historical Dictionary of World War II: The War against Germany and Italy* relates the history of this war through a chronology, an introductory essay, maps and photos, and an extensive bibliography. The dictionary section has more than 300 cross-referenced entries on the countries and geographical areas involved in the war, as well as the nations remaining neutral; wartime alliances and conferences; significant civilian and military leaders; and major ground, naval, and air operations. This book is an excellent access point for students, researchers, and anyone wanting to know more about World War II.
