Chuck Jones: The Dream that Never Was Chuck Jones

We all harbor a secret wish that we could find a previously unseen project by one of the greatest figures in animation history. Well, wish no more - celebrating the 2012 centennial of Chuck Jones's birth, IDW's Library of American Comics unveils *Chuck Jones: The Dream That Never Was!* The Academy Award-winning director of "Duck Amuck," "What's Opera, Doc," "How The Grinch Stole Christmas," and other timeless classics, created dozens of cartoon characters throughout his decades-long career: Pepe Le Pew, Marvin the Martian, Road Runner and Wile E. Coyote... and Crawford, an accident prone, nine-year-old boy whose daily routine includes surviving his own boyhood. *Chuck Jones: The Dream That Never Was* follows the twenty-seven year journey it took Jones to bring Crawford to the public, from conception to storyboard to newspaper strip. This incredible volume is loaded with never-before-seen sketches, drawings, storyboards, and production notes, and the six-month run of the Crawford newspaper comic strip from 1978. Accompanying the artwork is a biography of Chuck Jones's career in the sixties and seventies and how it influenced the creation of Chuck's only foray into the world of comic strips Animation Magazine calls *Chuck Jones: The Dream that Never Was* one of the "10 Essential Books for Animation Students".
