Cloud Atlas (Enhanced Movie Tie-in Edition): A Novel David Mitchell

This enhanced eBook edition contains never-before-seen footage from the major motion picture, behind-the-scenes material shot during production, and interviews with the author, directors (Tom Tykwer, Andy Wachowski, and Lana Wachowski), and actors (including Tom Hanks, Halle Berry, Hugh Grant, Hugo Weaving, and James D'Arcy) discussing both the book and the film.* A postmodern visionary who is also a master of styles of genres, David Mitchell combines flat-out adventure, a Nabokovian lore of puzzles, a keen eye for character, and a taste for mind-bending philosophical and scientific speculation in the tradition of Umberto Eco and Philip K. Dick. The result is brilliantly original fiction that reveals how disparate people connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. “[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel’s every page.”—The New York Times Book Review “One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature.”—Dave Eggers “Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative.”—People “The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I’ve never read anything quite like it, and I’m grateful to have lived, for a while, in all its many worlds.”—Michael Chabon*Video may not play on all readers. Please check your user manual for details.
