Teaching is challenging anywhere. Add to this the complexity of teaching in a culture that is totally the opposite of your own. This book deals with two main topics. Basic concepts of teaching and teaching at the university level in the context of Thailand. The teaching section of the book shares ideas on developing one's own approach to instruction. In addition, many common questions about teaching at the university level in Thailand are addressed such as... • What are some of the unique characteristics of Thai students? • How is the Thai education system setup? • Who oversees higher education in Thailand?
