Princess: You Know Who You Are Francesca Castagnoli

Welcome, Your Highness.

If you've picked up this book, you know who you are. You have a taste for life's finer things: champagne with breakfast, custom lingerie, and kitten heels—even in the snow. At the office, you're a corporate merger of style and substance, flawlessly handling the most difficult clients or performing life-saving surgery wearing snakeskin stilettos. Your romances play out like De Beers moments (well, in your mind anyway). And above all, you know instinctively that the real road to enlightenment begins with entitlement.

Princess is a celebration of the princess in every woman—a witty, delightful handbook for building your own happily ever after. You'll learn (and raise!) your PQ (Princess Quotient), tackle the PSAT (Princess Self-Assessment Test), and answer the age-old princess question: Is having it all ever really enough? Paying homage to the fine art of pampering, the princess rules of entertaining, the princess pooch, and of course, Prince Charming, *Princess* is sure to be a favorite. After all, it's about you.
