**The Day It Rained Forever: A Comedy in One Act (Acting Edition)** Ray Bradbury

Comedy. 3 m., 1 f. Comp. int./ext. An excellent characterization of three old men who are rocking away their lives on the porch of an empty hotel, situated in a desert miles from nowhere. Today is the one day of the year on which it has always rained, so today is one of unusual expectation for them. But as evening descends, the rain has not materialized. One man goes in to lie down and die, another prepares to pack up and leave. At this point they hear a puffing old car, which finally sighs and expires outside their door. From it emerges a dandy large woman and a harp. She not only revitalizes the old fellows; but when she plays the harp, the rain comes in earnest.
