## Game...

Matchmaker Wilhelmina Montgomery helps cupid's arrow find its mark in the drawing rooms of the Ton, effortlessly pairing even the most unlikely couples for a discreet fee. Perhaps not an appropriate pursuit for a lady...but with an ailing sister to care for, it's Whimsy's only hope at securing their future.

## Set...

Meanwhile, penniless aristocrat Valerian St. David, Earl of Dashwood is society's favourite *matchbreaker*; assisting those who want to escape engagement without being sued for breach of promise. Cynical, yes...but with no intention of falling in love himself, Valerian considers himself ideally suited to the role.

## ...And match!

When Whimsy discovers that Valerian has set out to *break* the very engagement she has been painstakingly arranging, she refuses to allow this mysterious saboteur have his way. Yet she didn't expect to find the handsome Earl so distractingly alluring. And suddenly, it seems that the Ton's last two loneliest hearts are in danger of meeting their match... in the most inopportune of places.
