Dragons Love Ice Cream Brett Fowler

*"Dragons love ice cream when it's hot outside
As a liquid, a solid, or even deep fried.
On top of a cone, in a cup or a bowl
They can slurp it, or lick it , or swallow it whole!"*

*"Dragons love ice cream come rain or come shine.
They dream about ice cream all of the time.
At home or at school or out on the town,
Visions of ice cream are floating around."*

"*Dragons Love Ice Cream*" is a super fun rhyming book that is perfect for kids that are into Dragons or Dinosaurs. The book contains many teachable moments such as basic counting and color identification, but is mainly just for pure entertainment.

There are plenty of kids books out there that talk about eating your vegetables, but "*Dragons Love Ice Cream*" just celebrates the pure joy of the wonderful ice cream cone from the perspective of these adorable Dragons without any preachy hidden agendas.

We all know that Dragons love tacos, but now we know that they love ice cream too!
