## **I Love You: Poems on the Meaning of Love for People in Love** Susan Polis Schutz

I LOVE YOU is a beautifully sensitive collection of love poems by America's bestselling poet, Susan Polis Schutz. It will help every reader understand what true love is. Inspired by her own real-life love story, Susan opens her heart in this book to reveal her deepest feelings about love and her relationship with Stephen Schutz.

In I LOVE YOU, Susan's poems answer everyone's questions about love. She writes about what love is; being afraid to love; loneliness; how to have a lasting relationship; why love is so essential; the commitment to love; and how and why her relationship with Stephen continues to be the most important part of her life. Through her poetry, Susan explores the many aspects of love and love relationships in words that everyone can relate to. As Susan writes:

"Love is being happy for the other person when they are happy. Being sad for the person when they are sad. Being together in good times. And being together in bad times... Love is the source of life."

Stephen Schutz's innovative artistic genius perfectly complements Susan's words. He expresses his love for Susan through softly inspiring paintings that sensitively interpret the mood and feeling of her poems. Together, this talented, loving couple achieves an unparalleled creative blend of art, poetry, and love.

I LOVE YOU is everything you ever wanted to say to someone you love, and more. It is a promise to support, cherish, understand, and share every aspect of yourself with the one you love.
