*Richard K. Caputo*

**Policy Analysis for Social Workers (Social Work in the New Century)** Richard K. Caputo

**Policy Analysis for Social Workers** offers a comprehensive, step-by-step guide to understanding the process of policy development and analysis for effective advocacy. This user-friendly model helps students get excited about understanding policy as a product, a process, and as performance—a unique “3-P” approach to policy analysis as competing texts often just focus on one of these areas. Author Richard K. Caputo efficiently teaches the purpose of policy and its relation to social work values, discusses the field of policy studies and the various kinds of analysis, and highlights the necessary criteria (effectiveness, efficiency, equity, political feasibility, social acceptability, administrative, and technical feasibility) for evaluating public policy.
