The Easiest Thing In the World: The Uncollected Fiction of George V. Higgins George V. Higgins
George V. Higgins, the poet laureate of Boston's criminal underworld, has written such classics of the genre as *Cogan's Trade*, *At the End of the Day*, and *The Friends of Eddie Coyle*—the inspiration for the classic Robert Mitchum film. His dystopic Boston is filled with low-down hoods, crooked fuzz, and ruthless crime bosses, all brought to life by Higgins's trademark dialogue: a pitch-perfect rendering of the criminal vernacular that hits as hard and cuts as deep as the brass knuckles and switchblades wielded by his creations. *The Easiest Thing in the World* is a riveting collection comprised of stories, film treatments, and two never-before-published novellas. It's the kind of stuff we've come to expect from Higgins: tales of corruption and revenge, wrapped in sizzling dialogue and a wicked sense of humor. *The Easiest Thing in the World* is an indispensable addition to not only the Higgins library but also the canon of American crime fiction.
