Writers such as Jorge Luis Borges, Gabriel García Márquez, Mario Vargas Llosa, Carlos Fuentes, Pablo Neruda, Octavio Paz, and Mario Vargas Llosa all became part of the general culture of educated readers of English, French, German, and Italian. But few know about the literary tradition from which these writers emerged. *Modern Latin American Literature: A Very Short Introduction* remedies this situation, providing an overview of Latin American literature from the late eighteenth century to the present. Within this narrative, the author discusses the major writers of Latin American literature, from Andrés Bello and José María Heredia through Borges and García Márquez to Fernando Vallejo and Roberto Bolaño.
