## **The Stripping of the Altars: Traditional Religion in England, 1400-1580** Eamon Duffy

This prize-winning account of the pre-Reformation church recreates lay people's experience of religion in fifteenth-century England. Eamon Duffy shows that late medieval Catholicism was neither decadent nor decayed, but was a strong and vigorous tradition, and that the Reformation represented a violent rupture from a popular and theologically respectable religious system. For this edition, Duffy has written a new Preface reflecting on recent developments in our understanding of the period.

From reviews of the first edition:

"A magnificent scholarly achievement [and] a compelling read."—Patricia Morrison, *Financial Times*

"Deeply imaginative, movingly written, and splendidly illustrated. . . . Duffy's analysis . . . carries conviction."—Maurice Keen, *New York Review of Books*

"This book will afford enjoyment and enlightenment to layman and specialist alike."—Peter Heath, *Times Literary Supplement*

"[An] astonishing and magnificent piece of work."—Edward T. Oakes, *Commonweal*
