Workforce Cross Training

Workforce Cross Training

In today's ultra-competitive global business environment, it is becoming increasingly important for companies to reduce spending while simultaneously improving their efficiency and productivity. To achieve this goal, many organizations are opting to implement cross training programs in order to maximize the potential of their existing workforce, thus avoiding the need to outsource. Filling a gap in the literature, Workforce Cross Training presents a pioneering overview of the currently available research on this topic and provides invaluable insight into the design of successful cross training programs.

Featuring contributions from a team of experts, this text integrates information from a wide variety of disciplines including human factors, industrial engineering, operations management, and behavioral psychology. The authors examine the use of cross training programs in various work environments including serial production systems, call centers, and manufacturing industries. Discussion includes best practices of cross training methods and the future opportunities offered by cross training programs.

A single resource featuring an in-depth summary of the policies, methods, and results of cross training, this book delivers a much needed source of guidance for creating effective workforce cross training programs.

From reader reviews:

James Hutchinson:

Why don't make it to be your habit? Right now, try to ready your time to do the important work, like looking for your favorite e-book and reading a publication. Beside you can solve your short lived problem; you can add your knowledge by the e-book entitled Workforce Cross Training. Try to the actual book Workforce Cross Training as your close friend. It means that it can being your friend when you really feel alone and beside those of course make you smarter than ever before. Yeah, it is very fortunated to suit your needs. The book makes you considerably more confidence because you can know every little thing by the book. So , let me make new experience and knowledge with this book.

Debra Espiritu:

What do you consider book? It is just for students because they are still students or this for all people in the world, what the best subject for that? Simply you can be answered for that issue above. Every person has diverse personality and hobby for each and every other. Don't to be obligated someone or something that they don't desire do that. You must know how great along with important the book Workforce Cross Training. All type of book are you able to see on many solutions. You can look for the internet solutions or other social media.

Patty Scheuerman:

This Workforce Cross Training is great book for you because the content which is full of information for you who else always deal with world and also have to make decision every minute. This book reveal it information accurately using great manage word or we can declare no rambling sentences inside. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but challenging core information with splendid delivering sentences. Having Workforce Cross Training in your hand like obtaining the world in your arm, data in it is not ridiculous one particular. We can say that no guide that offer you world with ten or fifteen minute right but this e-book already do that. So , this is certainly good reading book. Hey Mr. and Mrs. busy do you still doubt in which?

Mary Perez:

The book untitled Workforce Cross Training contain a lot of information on that. The writer explains her idea with easy method. The language is very easy to understand all the people, so do definitely not worry, you can easy to read it. The book was compiled by famous author. The author provides you in the new era of literary works. You can read this book because you can please read on your smart phone, or program, so you can read the book throughout anywhere and anytime. In a situation you wish to purchase the e-book, you can open their official web-site as well as order it. Have a nice read.
